

PowerSchool INTEGRATION

RevTrak & PowerSchool: A Powerful Partnership

RevTrak and PowerSchool work together to streamline the way schools accept and handle student payments. As an official PowerSchool partner, we take payments for food service, technology fees and everything else through the RevTrak Web Store and post them in PowerSchool immediately - allowing your staff to reconcile payments in less than 10 minutes.

PowerSchool and RevTrak Work Together

Payments made through RevTrak are automatically posted into PowerSchool to save your staff time.

Our exceptional service is tailored to each district with free set-up, maintenance and training.

Stop chasing down cash and check payments, and free up staff time.

The seamless integration with PowerSchool minimizes changes in your finance processes.
